

AKAL ACADEMY KALEKE

The Akal academy students are encouraged to participate in various extracurricular activities for the proper development and growth. To maintain the balance of studies and sports, Akal Academy kaleke organizes extra curricular events for the students every year.

The academy always inspire students to participate in every event. The students take part in different competitions within and outside the academy. National events such as Independence and Republic day are celebrated and students exhibit their patriotic spirits by reciting Patriotic songs and poetry.

Besides it, the campaigns like Save environment, Save water, Plant- trees are also organized. The students from all grades belonging to different houses are also encouraged to bring saplings or plants for the plantation on the Environment Day. In addition to, students take part in rallies against social evils and Drug abuse for educating the masses to shun these evils and develop the virtues of life.

To promote academic growth, the students participate in various Inter-house competitions such as Debate, Group Discussion, Speech, Mathematics-quizzes , Science-quizzes etc organized on monthly basis. For promoting skills of art and craft, the students are encouraged in taking part in competitions like Poster-making on Save girl-child, Drug addiction, Save environment etc, Slogan writing and Clay-model etc.

Sports are also an integral part along with the academic programs. The students enthusiastically participate in various sports events within and outside the academy. Well laid-out play ground have been developed including Athletic track, Grounds for volleyball, Hockey, Basket ball, Long jump etc. This year also Akal Academy Kaleke performed excellently in multiple Inter-Academy Events.
